

MY SUPPLICATION

My Heavenly Father, the hour has come for me to glorify You and Your Son, that Your children may be glorified in You, even as You gave Your only Son authority over all mankind, that to all whom You have given Him, He may also give eternal life.

And truly this is eternal life, that they may know You, the only true God, and YAHSUA, the Messiah, Your only Son, whom You sent from Heaven into the world to save the nations from sin.

I have glorified You on the earth, having accomplished the work that You assigned to me. And now, glorify Your Church together with me, Father, with the glory which Your Son had with You before the world was.

I have testified of Your name to the children whom You gave me out of the world; they are Yours, and You gave them to me for a season of ministry, and they have kept Your word. Now they have come to know that everything You have given to me is also theirs; for the words that You gave me I have given to them; and they received Your words with gladness, and truly they have understood that I was called out of this world and its confusion to declare the final warning message of mercy, and they have believed that You sent me for such a purpose.

I ask on behalf of Your Church; I do not ask on behalf of the world, but of those whom You have given to me for ministry; for they are truly Yours; and all things that belong to You also belong to Your Son, and are given to us for Your glory; and I have been glorified in ministering to Your chosen ones.

And I am no more a citizen of this world, for You have translated me along with them into your Heavenly Kingdom; and yet we must remain in this dark world for a short time. Holy Father, keep them securely in Your name, the name that You have given to us for a testimony, that they may remain one, even as we are one holy family in the Father and the Son.

While I was ministering to them, I was keeping them in Your name which You gave to us for a testimony; and I guarded them, and not one of them fell away except those who were not of us, that the Scripture might be fulfilled.

But now I come to You in my supplication; and these things I declare to the world, that Your Church may have Your joy made full in themselves. I have given them Your word; and the world has hated them, because they are not of the world, even as I am not of the world. I do not ask You to take them out of the world immediately, but to keep them from the evil one unto the end. They are not of the world, even as I am not of the world.

Sanctify them completely through Your truth, because Your word is truth. As You called me out of the darkness of this present world and into Your marvelous light, I have also called them out from among the false teachers, confusion, and darkness of this present generation.

And for their sakes I sanctify myself, that they themselves also may be sanctified through Your truth. I do not ask in behalf of these alone, but for those also who believe in YAHSHUA, the Messiah, through their word; that they may all be one; even as You, Father, and Your Son, are one, and we are one with You and Your Son, that they also may be with us; that the world may believe You have chosen us as Your earthly representatives.

And the glory that You have given me since my new birth, I have given to them; that they may be one, just as we are one; You in us and we in You, that Your Church may be perfected in love, that the world may know that You have chosen us, and did love us, even as You have loved the world and given your only Son to save the nations from sin.

Father, I desire that they also, whom You have given to me for ministry, be with me in Spirit, in order that they may behold Your glory, which You have given to us; for You loved us before the foundation of the world.

O righteous Father, although the world has not known You, yet I have known You; and these brothers and sisters have known You; and I have made Your name known to them, and will make it known to the world; that the love wherewith You manifested to us may be known by the nations of earth, just as it is known in Heaven.

For You so loved the world that You gave Your only Son, that whoever believes in Him should not perish, but have eternal life. Therefore do I declare to the world that the Kingdom of YAHWEH is come, and with it, salvation to all who will believe and follow You and Your Son, for we go wherever the Lamb goes to the glory of the Father. Be glorified, Holy Father, in Your Church, the children of light. Amen.
